

Feeding relatives? Throwing parties? Feeding your family? Eating a part of your daily routine?

Help support your Pearson PTA by linking your Tom Thumb reward card to Pearson!

Simply link your reward card to Pearson via the Pearson Good Neighbor Number. Every time you shop at Tom Thumb using your reward card, Pearson gets a percent donation from Tom Thumb. There is no additional cost to you!

Pearson Good Neighbor Number: 11376

How to help Pearson:

1. Fill out the “Good Neighbor Program” form (located at the bottom of this flier).
2. Take the form to the customer service desk at your local Tom Thumb Grocery store.
3. Tom Thumb will link Pearson (Pearson's number to link is 11376) to your reward card.
4. You only have to link your reward card to Pearson one time. After you are linked, every time you shop at Tom Thumb and use your reward card, Pearson benefits! It's that easy!

The form below is to link existing reward cards to benefit Pearson. If you wish to apply for a reward card, go to: <http://www.tomthumb.com/IFL/Grocery/Update-Club-Card#frametop> and click on the link to apply for a new card. No online access? Apply for a card at your local Tom Thumb store.
